

PUM Update Services

“Our team was in a perpetual update cycle and we struggled to keep up.

MoTown helped us solve that problem.”

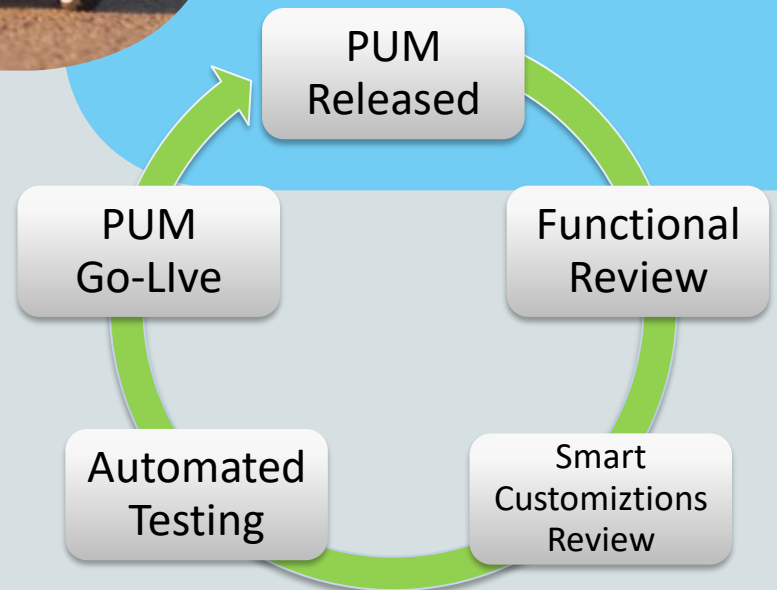

PUM Update Services It's like SaaS, only cheaper

With Oracle's PeopleSoft Update Manager releases, it's ever more critical to keep your systems on a planned and periodic update cycle. However, not every company has the luxury of assigning internal resources to an update project.

For a **FLAT FEE** MoTown will keep the PUM updates coming and will do this according to your business schedule.

We also:

- Utilize **Smart Customizations** to reduce tech debt
- Incorporate **Automated Testing** to reduce cost and Human Capital resources
- Analyze new features and functionality with your team

How MoTown Group is Different:

- No other company takes a holistic approach to keeping your PeopleSoft system up to date.
- We are focused on the past, the present and the future.
- We get you where you want to be - Faster.
